

Readers' Special

Let us begin by thanking our readers for their continuous overwhelming patronage.

This periodical keeps attracting readers from across the globe and it is this persistent support that encourages us to keep churning out issues dedicated to our readers. Such "Readers' Special" issues not only cover a variety of topics, but also reveal the adventurous side of our authors that keep encroaching beyond the realms of basic Otorhinolaryngology.

Happy reading!

Bachi T Hathiram

Vicky S Khattar
