

## Editors' Speak

---

### Readers' Special

This issue is dedicated to the various articles submitted by our readers. We have been constantly trying to conjure topic-based issues, but the increasingly overwhelming response from our readers often compels us to compile issues which contain excellent articles submitted by them, but may not adhere to a specific topic in totality.

Again, and ever so happily, this is by you all, and for you all!

**Bachi T Hathiram**

**Vicky S Khattar**
